IMPORTANT: To begin the process, go to the **CONTACT** tab on the Pawsitive Health Certificates website and complete the Client Travel Questionnaire.

Pawsitive Health Certificates helps pet owners traveling internationally or to Hawaii or Alaska by managing paperwork, timelines, and destination requirements so your veterinary clinic can focus on your pet's care.

Step 1: Start on the Website

Visit the Pawsitive Health Certificates website, click the **CONTACT tab**, and complete the Client Travel Questionnaire.

Step 2: Receive Your Customized Quote

After submitting the questionnaire, a specialist will review your information and send you a free, customized quote. Please allow up to 2 business days to receive your quote.
